CITY OF PARK FALLS HOUSING REHABILITATION AND HOMEBUYER PROGRAM

*Zero Percent, Deferred
Payment Loans to
Qualified Applicants*

Housing Activities

The City of Park Falls has funds available to benefit Low- and Moderate Income (LMI) households wishing to make home improvements or to purchase a home. The city has contracted with Northwest Regional Planning Commission to administer the program.

OWNER-OCCUPIED REHABILITATION

The program will provide rehabilitation assistance to LMI owner-occupied housing units throughout the city. Financial assistance to eligible owner-occupied households will be in the form of a 0 percent, deferred payment loan, secured by a mortgage in the city's name until the unit ceases to be the owner's principal place of residence.

RENTER-OCCUPIED REHABILITATION

CDBG program may provide funds for the rehabilitation of LMI renter-occupied units with 0 percent, installment loans over ten years.

HOMEBUYER ASSISTANCE

The program will provide assistance to eligible households that are renting and seeking assistance to purchase a home in the city. The Homebuyer Opportunity Program will provide closing costs and up to 50 percent of the down payment to eligible clients. Eligible closing costs include: loan origination fees, loan discount points, appraisal costs, credit report, title search and preparation charges, transfer fees, and recording costs. Terms for financing are the same as owner-occupied rehabilitation.

HANDICAPPED ACCESSIBILITY

CDBG funds may be used for accessibility modifications to a dwelling unit occupied by an LMI person who is physically handicapped. Typical modifications include: ramps, grab bars, accessible shower stalls, wider doorways and hallways, and the installation of door handles, in place of door knobs.
